

Scumblr: Searches internet for security "nuggets" (credentials, hacking discussions)

"I use it in order to monitor everything about technology."

Christian Kakesa - [kakesa.net](http://kakesa.net) / [@christiankakesa](https://twitter.com/christiankakesa)

# AGENDA

- What is Scumblr?
- How simple is Scumblr?
- A quick demo: [scumblr.kakesa.net](http://scumblr.kakesa.net)

WHAT IS SCUMBLR?

## NETFLIX USE SCUMBLR AGAINST...

- Credential dumps
- Netflix vulnerabilities
- Netflix streaming links on Google search
- Tracking DDOS attacks
- Probably more...
